

PyroWraps – Intumescent Fire Wrap for PVC Pipes

1. Product Trade Name	PyroWrap
2. Manufacturer	Thermal Insulation Distributors Ltd Units 1-4 Keypoint Rosemount Business Park Ballycoolin Dublin 11
3. Composition	Polythene Sleeve with graphite based intumescent
4. Hazards Identification	Not Classified as dangerous under the chemicals (Hazard Information & Packaging) Regulations
5. First Aid Measures	Inhalation: N/A Ingestion: N/A Skin Contact: None Required Eye Contact: None Required
6. Fire Fighting Measures	This Product does not support combustion
7. Accidental Release Measures	Personal Protection: None Required Environmental Protection: None Required Methods for Cleaning: N/A
8. Handling & Storage	Usage Precautions: Observe Manual Handling Operation Regulations 1992 Storage Precautions: Store in Dry Conditions
9. Exposure Controls / Personal Protection	Personal Protection: No special requirement when handling this product
10. Physical & Chemical Properties	Physical State: Solid Colour: Various, usually Black, Grey, Red Activation Temperature: Approximately 200°C
11. Stability & Reactivity	Stability: Stable under recommended storage conditions Conditions to avoid: No special conditions Hazardous Decomposition Products: None
12. Toxicological Information	This product does not have any health damaging effects when correctly handled
13. Ecological Information	This product does not cause any adverse ecological effects
14. Disposal Considerations	Product should be disposed of in accordance with current local and national legislation. Refuse material is not classified as hazardous waste
15. Transport Information	Transport Mode: Domestic Road / Rail: Non Hazardous Sea / Air: Non Hazardous International Road / Rail: Non Hazardous
16. Regulatory Information	This product is defined as not being dangerous according to the requirements of the Chemical (Hazard Information & Packaging) Regulations. The information contained in this data sheet does not constitute the user's own assessment of workplace risk, as required by other safety legislation. The provisions of the Health & Safety at Work Act and the Control of Substances Hazardous to Health Regulations apply to use of these products at work.
